IMADE DWI SUARSANA

Letter of Reference – Scuba diving guide and regional cruising guide Bali to Flores, Komodo, Indonesia  
27<sup>th</sup> September 2014 to 7<sup>th</sup> October 2014

This letter is to confirm that *Imade Suarsana* worked on board Northern Sun as a cruising guide and diving guide for the aforementioned time period. He conducted himself in a highly professional manor and was not only reliable and punctual but would continually be helping the deck crew with all kinds of yachting tasks. Imade quickly became one of the team, going way beyond the remit of his employment on board and showing good knowledge of deckhand jobs and skills.

Imade demonstrated not only his expert knowledge of the Komodo national park and its dive/snorkeling sites but also a good knowledge of safe anchorages and local weather effects and tides. His placement on the yacht for our 11 day round trip was key to the smooth operation of the trip working with the local officials to conduct port clearances and pay local fees. He has a very good manor when working with guests communicating clearly and in excellent English. He is very easy going and fun to live with bringing jokes and laughter to the crew mess table.

I thank Imade for his hard work and hope to work with him again in the future.
